

Communications Plan

Status: Concept / MVP design | Domain: Community technology and diaspora services | Role: Founder and Product Business Analyst

Approach

Communication is tied to each audience, its decisions and its moments of need, rather than one generic update for everyone.

Communications plan

Audience	Information	Channel	Cadence or trigger
Community members	Recommendations, privacy controls	In-app prompts	Ongoing
Group leaders	Verification, analytics	Leader onboarding call	At onboarding and monthly
Event organisers	Event linking	Partner guide	Per event
Moderators	Policies, queue	Moderation playbook	Weekly review
Platform leadership	Growth and safety metrics	Product review	Monthly

Decision controls

- Record the decision, owner and date
- State the evidence or constraint considered
- Show the impact on requirements, process or release
- Escalate unresolved high-impact items
