

# Communications Plan

Status: Delivered | Domain: Digital marketing, media and entertainment | Role: Digital Marketing Analyst and Delivery Lead

## Approach

Communication is tied to each audience, its decisions and its moments of need, rather than one generic update for everyone.

## Communications plan

| Audience                    | Information                 | Channel                            | Cadence or trigger      |
|-----------------------------|-----------------------------|------------------------------------|-------------------------|
| Clients and business owners | Results against objective   | Performance report and review call | End of each campaign    |
| Leadership                  | Portfolio results, capacity | Management summary                 | Monthly                 |
| Copywriters                 | Brief, deadlines            | Brief handover                     | Per campaign            |
| Design and video teams      | Brief, dependencies         | Task board and stand-up            | Daily during production |
| Social-media managers       | Publishing schedule, KPIs   | Channel plan                       | Weekly                  |

## Decision controls

- Record the decision, owner and date
- State the evidence or constraint considered
- Show the impact on requirements, process or release
- Escalate unresolved high-impact items
