

Stakeholder Engagement Plan

Status: Delivered across client engagements | Domain: E-commerce, events and digital services | Role: Founder and Lead Business Analyst

Engagement objective

Build shared understanding, surface constraints early and keep decision ownership clear throughout delivery.

Stakeholder analysis

Stakeholder	Influence	Interest	Primary interest	Approach
Event or client lead	High	High	Cost, control and status	Manage closely
Operations team	Medium	High	Usability and exceptions	Keep informed
Applicants and customers	Low	High	Clear communication	Keep informed
Developers and providers	Medium	Medium	Integration requirements	Monitor
Marketing team	Medium	Medium	Audience and campaign data	Monitor

Engagement methods

Stakeholder	What they need to know	Method
Event or client lead	Status, exceptions, costs	Status review and options paper
Operations team	How-to guides, exception queue	Walkthrough and handover guide
Applicants and customers	Confirmation, decision, next steps	Automated email
Developers and providers	Field maps, triggers	Technical brief
Marketing team	Registration counts by source	Dashboard view

Principles

- Tailor detail to the audience
- Record decisions and open questions with an owner
- Use visual models to test understanding
- Invite feedback before implementation decisions are fixed
