

Stakeholder Engagement Plan

Status: Delivered | Domain: Events and hospitality | Role: Digital Project Manager and Business Analyst

Engagement objective

Build shared understanding, surface constraints early and keep decision ownership clear throughout delivery.

Stakeholder analysis

Stakeholder	Influence	Interest	Primary interest	Approach
Event organisers	High	High	Operational control and reporting	Manage closely
Attendees	Low	High	Simple purchase and communication	Keep informed
Vendors	Medium	High	Transparent application and decision	Keep informed
Volunteers	Low	High	Clear allocation and instructions	Keep informed
Developers and creatives	High	Medium	Agreed journeys, content and rules	Keep satisfied

Engagement methods

Stakeholder	What they need to know	Method
Event organisers	Status, exceptions, decisions	Status review and decision log
Attendees	Ticket and event information	Website content and confirmation email
Vendors	Requirements, decision, next steps	Application guidance and decision email
Volunteers	Role, shift, briefing	Allocation email and briefing pack
Developers and creatives	Journey maps, field lists, templates	Build brief and review session

Principles

- Tailor detail to the audience
- Record decisions and open questions with an owner
- Use visual models to test understanding
- Invite feedback before implementation decisions are fixed
