

Communications Plan

Status: Live | Domain: Wellness and hospitality | Role: Digital Product Lead and Business Analyst

Approach

Communication is tied to each audience, its decisions and its moments of need, rather than one generic update for everyone.

Communications plan

Audience	Information	Channel	Cadence or trigger
Management	Booking sources, top pages, content plan	Analytics dashboard review	Weekly
Front desk	New prompts, offers and message formats	Walkthrough	Before each change
Therapists	Profile content and photos	Approval request	Before publishing
Clients	Offers, rewards and guides	Website, blog and WhatsApp	Per campaign

Decision controls

- Record the decision, owner and date
- State the evidence or constraint considered
- Show the impact on requirements, process or release
- Escalate unresolved high-impact items
