

Communications Plan

Status: Ongoing (2024 to present) | Domain: SME digital services: marketing operations and web development | Role: Business Analyst

Approach

Communication is tied to each audience, its decisions and its moments of need, rather than one generic update for everyone.

Communications plan

Audience	Information	Channel	Cadence or trigger
Business owner	Goal, options, costs and progress	Workshop, then weekly check-in	Weekly
Client staff	Process changes and tool guidance	Walkthrough and written guide	Before go-live
Designers and developers	Requirements and acceptance criteria	Backlog and review sessions	Each sprint
Owner (after launch)	Performance by channel	Monthly results summary	Monthly

Decision controls

- Record the decision, owner and date
- State the evidence or constraint considered
- Show the impact on requirements, process or release
- Escalate unresolved high-impact items
