

Stakeholder Engagement Plan

Status: Ongoing (2024 to present) | Domain: SME digital services: marketing operations and web development | Role: Business Analyst

Engagement objective

Build shared understanding, surface constraints early and keep decision ownership clear throughout delivery.

Stakeholder analysis

Stakeholder	Influence	Interest	Primary interest	Approach
Business owners and founders	High	High	Growth, cost and time	Manage closely
Client staff (sales, marketing, admin)	Medium	High	Tools that save time	Keep informed
Customers of the business	Low	High	Easy buying and quick replies	Keep informed
Freelance designers and developers	Medium	Medium	Clear, buildable requirements	Keep satisfied
Platform providers	Low	Low	Correct configuration	Monitor

Engagement methods

Stakeholder	What they need to know	Method
Business owners and founders	Options, costs, progress and results	Discovery workshop and weekly check-ins
Client staff (sales, marketing, admin)	New processes and how to use them	Walkthroughs and handover guides
Customers of the business	Journey and communication	Usability checks
Freelance designers and developers	Acceptance criteria and priorities	Backlog walkthrough
Platform providers	Integration and account settings	Provider documentation

Principles

- Tailor detail to the audience
- Record decisions and open questions with an owner
- Use visual models to test understanding
- Invite feedback before implementation decisions are fixed
